Re: CAL: CTE SOURCE MATERIAL LICENSE NO. C-3496

Gentlemen:

Source Material License No. C-3496 was issued to Horizons Incorporated on April 24, 1956 and expires on May 1, 1957. We are interested in renewing this license on the same basis as originally requested in our application of February 20, 1956. An extension of License No. C-3496 as issued will be quite satisfactory.

If it is necessary to submit additional Form AEC-2, please furnish us with supply of these forms. Please contact the undersigned for any additional information concerning the license which your office may require.

Very truly yours,

HORIZONS INCORPORATED
