Gentlemen:

Source Material License No. C-3496 was issued to Horizons Incorporated on April 30, 1957 and expires on May 1, 1958. We are interested in renewing this license on the same basis as originally requested in our application of February 20, 1956. An extension of License No. C-3496 as issued will be quite satisfactory.

If there is any additional information concerning the license, which your office may require, please do not hesitate to contact the undersigned.

Very truly yours,
