Charleston, West Virginia 25301

Gentlemen:

SUBJECT: NRC INSPECTION REPORT NO. 47-16156-01/94-01

This refers to the closeout inspection conducted by Mr. J. Mumper of this office on January 10, 1994. The inspection included a review of activities authorized for your Charleston, West Virginia facility and a confirmation survey to release the facility at the Medical Staff Building, Suite 911, 3100 MacCorkle Avenue, S.E., Charleston, West Virginia for unrestricted use. At the conclusion of the inspection, the findings were discussed with you.

We have reviewed the results of your survey, and the results of our confirmatory survey, and find that the facility referenced above can be released for unrestricted use. The address for this facility will be removed from the license when it is next amended.

We appreciate your cooperation in this matter.

Sincerely,
ORIGINAL SIGNED BY
