

February 10, 1994

Mr. Robert Katz, Trial Attorney
Federal Programs Branch
Civil Division
U.S. Department of Justice
PO Box 883
Washington, DC 20044

Dear Mr. Katz,

Per your telephone conversation with Robert Pettis of my staff on February 9, 1994, in reference to the Five Star Products case, please find enclosed several reference documents which discuss nuclear quality assurance, including accepting certificates of conformance.

Should you have any questions regarding this information, please feel free to contact me at (301) 504-2961 or Robert Pettis at (301) 504-3214.

Sincerely,

LSJ

Leif J. Norrholm, Chief
Vendor Inspection Branch
Division of Reactor Inspection
and Licensee Performance
Office of Nuclear Reactor Regulation

Enclosures:

1. Excerpts from U.S. NRC Regulatory Guide 1.123.
2. NUREG-0040, Volume 17, No.3, "Licensee Contractor and Vendor Inspection Status Report."
3. Letters to Construction Products Research dated August 18 & 19, 1992.
4. EPRI NP-6629, "Guidelines for the Procurement and Receipt of Items for Nuclear Power Plants (NCIG-15)."
