License No. 37-00611-09

H. M. Consultants
ATTN: Mr. Russ Bowen
General Manager
223 S. Governor Prince Blvd.
Lester, PA 19113

Gentlemen:

This is to confirm that the U.S. Nuclear Regulatory Commission has issued License No. 37-00611-09 to Automation Industries, Inc., Phoenixville, PA. This license authorizes fabrication of cobalt-60 and iridium-192 sealed sources and transfer to authorized recipients.

The NRC regulates the use, fabrication, packaging and shipping and transfer of these byproduct materials by issuing licenses containing appropriate restrictions and by conducting frequent inspections at the license's facility in Phoenixville, Pennsylvania. All operations are under frequent review by the NRC.

If further information is required, please do not hesitate to contact me.

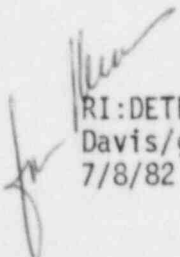

Sincerely,

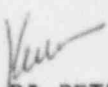

Original Signed By:

John D. Kinneman, Chief
