U.S. Nuclear Regulatory Commission
ATTN: Mr. Chad Glenn, Project Manager
Regulatory Issues Section LLDR/NMSS
Washington, DC 20555

Dear Mr. Glenn:

Per your request, I am enclosing some photocopies of pictures taken in the time period 1978-79 when KBI/Cabot was closing and covering the dump at Reading, Tulpehocken Street site.

Sincerely,

William C. Gannon
Radiation Safety Officer
