MEMORANDUM FOR: Robert E. Browning, Deputy Director  
 Division of Waste Management

FROM: Timothy C. Johnson  
 Low-Level Waste Licensing Branch

SUBJECT: 10 CFR 61 IMPLEMENTATION AT SOUTH CAROLINA

A meeting has been scheduled with Heyward Shealy and Virgil Autry of the South Carolina Bureau of Radiological Health in Columbia, South Carolina for August 24 and 25, 1982. The following areas related to the detailed implementation of 10 CFR 61 will be discussed:

1. Demonstration of stability for Class B and C wastes
2. Waste classification
3. Use of chelating agents
4. Powdered form wastes in HIC's

If you have any questions, please let me know.

Original Signed By

Timothy C. Johnson  
 Low-Level Waste Licensing Branch  
 Division of Waste Management
