

APPENDIX A

NOTICE OF VIOLATION

Trow Protze Consulting Engineers
Needham Heights, Massachusetts 02194

Docket No. 030-31470
License No. 20-28469-01

During an NRC inspection conducted on December 1, 1993, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violation is listed below:

Condition No. 11.A of License No. 20-28469-01 requires that the licensee maintain records of individuals designated as users for 3 years following the last use of licensed material by the individual.

Contrary to the above, as of December 1, 1993, records of individuals designated as users were not maintained for 3 years following the last use of licensed material by the individual. Specifically, licensed material was used on July 2 and December 6, 1991 as well as May 10, 1993 by three different individuals. Records designating them as users were not maintained for 3 years following the last use of licensed material by the individuals.

This is a Severity Level IV violation. (Supplement VI)

Pursuant to the provisions of 10 CFR 2.201, Trow Protze Consulting Engineers is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555, with a copy to the Regional Administrator, Region I, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or a Demand for Information may be issued to show cause why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.
