

APPENDIX A

NOTICE OF VIOLATION

Budney Company, Inc.
Berlin, Connecticut 06037

Docket No. 040-08974
License No. STB-1530

During an NRC inspection conducted on October 19 and 20, 1993, violations of NRC requirements were identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violations are listed below:

Condition 12 of License No. STB-1530 requires that licensed material be possessed and used in accordance with the statements, representations, and procedures contained in a letter dated December 21, 1988.

1. Item 4 of the letter requires that personnel exposures will be monitored by the use of direct-reading, pocket dosimeters.

Contrary to the above, as of October 20, 1993, pocket dosimeters have not been issued to individuals working in areas in where licensed material is used or stored.

This is a Severity Level IV violation. (Supplement VI)

2. Item 5 of the letter requires that personnel who have been working with licensed material will monitor their extremities and clothing before leaving the area.

Contrary to the above, as of October 20, 1993, personnel working with licensed material since May 1993 have not monitored their extremities and clothing. The survey instrument was not available at the frisking station.

This is a Severity Level IV violation. (Supplement VI)

Pursuant to the provisions of 10 CFR 2.201, Budney Company, Inc. is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, ATTN: Document Control Desk, Washington, D.C. 20555, with a copy to the Regional Administrator, Region I, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or a Demand for Information may be issued
