OFFICE OF SECRETARY
DOCKETING & SERVICE
BRANCH

Dear Mr Secretary, 8/25/82
Please send the proposed regulations to
permit utilities to take certain emergency
actions to me.

My comment at this time is if - in an
emergency - licensees are allowed to take
emergency actions outside the procedures
established by regulation; then it is obvious
1. The procedures are grossly inadequate
2. The regulation (NRC) is totally worthless.
