Gentlemen:

Subject: Inspection No. 82-01

This refers to the routine safety inspection conducted by Mr. J. Nicolosi of this office on July 2, 1982 of activities authorized by NRC License No. 08-18308-01MD and to the discussions of our findings held by Mr. Nicolosi with yourself at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Our inspector also verified the steps you have taken to correct the violations brought to your attention in the enclosure to our letter dated August 6, 1981. We have no further questions regarding your action at this time.

Within the scope of this inspection, no violations were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,
