Attn: Linda Kasner, Senior Radiation Specialist

SUBJECT: Reply to notice of violation and proposed imposition of civil penalty.

N.R.C. letter of January 6, 1994 requested additional information to clarify corrective action planned and taken by Glendive Medical Center on violation I.A., I.B, and I.C.

Glendive Medical Center's letter of January 12, 1994 contained a form, to notify technologist when present R.S.O./Authorized Physician user is not available.

Telephone conversation on February 1, 1994 with Linda Kasner, indicated there is possible confusion in the wording of the form in regards to the R.S.O. status.

The following form change was made; please note enclosed, to eliminate possible misunderstandings by the technologists.

If you have any questions, please contact me at the letterhead address or by telephone.

Sincerely,

Thomas A. Christensen
