Dear Mr. Evans:

This is a request to extend the 30-day Reconciliation Period for our 7/9/82 Inventory which would normally terminate on 8/8/82 to 8/18/82.

This request comes as a result of our plant shutdown/annual vacation beginning 7/17/82 and ending 8/1/82 which will curtail Lab Analysis of material unmeasured at the time of inventory during that time frame.

This ten day extension will enable us to complete the analysis of the material.

Enclosed is a check for \$150.00 for administrative fees involved with the processing of this request.

I hope you will act favorably on this Request for Exemption.

Very truly yours,
United Naval Products
