Dear Ms. Saginaw:

As specified in the UNC-Church Rock Memorandum of Understanding (MOU), dated August 26, 1988, and the Homestake-Milan MOU, which we signed on December 14, 1993, both agencies are to designate a primary contact for each site. Mr. Gary Konwinski has indicated his intent to leave the NRC. Since he was the primary contact for the Church Rock site, it is necessary to designate a primary contact for both sites. Mr. Latif Hamden, who is located in our Headquarters Office in Rockville, Maryland, will be our primary contact for both sites. He may be reached on (301) 504-2528.

The pending closure of the Uranium Recovery Field Office in Denver, Colorado, has necessitated our redesignation of a new responsible manager. The responsible manager will be Mr. Joseph J. Holonich, Chief, Uranium Recovery Branch. He may be contacted on (301) 504-3439. Correspondence should be addressed to Mail Stop 5E2, 11555 Rockville Pike, Rockville, Maryland, 20850.

You have previously designated Mr. Shawn Ghose of your staff as the primary contact for the UNC-Church Rock facility. Unless you advise us to the contrary, we will consider him the primary contact for both facilities.

Should you have any questions, please contact me at (317) 860-8225.

Sincerely,

James L. Milhoan
