Gentlemen:

Subject: Request to Withhold Documents from Public Disclosure - Docket
Nos. 50-324 and 50-325

This refers to your letter of July 16, 1982, which requested that it and its enclosed affidavit be withheld from public disclosure. We have evaluated your request and determined that those documents should be withheld from public disclosure in accordance with 10 CFR 2.790(a)(4).

We are also returning the copy of your internal investigation report which you provided for our convenience. The NRC has no further need for that report at this time; however, you should retain the report for future reference.

R. C. Lewis, Director
Division of Project and
Resident Programs
