SUBJECT: Cancellation of NRC Licenses

Invoice No. AM06745-92
Invoice No. AM06746-92 — *Cancelled IDA-228*

Dear Sir:

Please accept this letter as official notification that NDE Services, Inc. is canceling License # 05-19821-01, License # 0557 and License # IDA 228 (which was canceled May 15, 1991).

030-32269 status 4
NDE Services, Inc. was led to believe by phone conversations in August, 1991 that there was to be only one annual fee charged to our company. One year later we received phone calls trying to collect on another invoice. Each year we receive three invoices, one for a license for the State of Idaho which we canceled. One for our NRC license and one for our QA program which should be part of our NRC license. If we had of known of these additional charges NDE Services, Inc. would have canceled all dealings with the NRC in August of 1991.

Sincerely,

Edward J. Briggs
