Mississippi Power and Light Company  
ATTN: Mr. N. L. Stampley  
Senior Vice President, Nuclear  
P. O. Box 1640  
Jackson, MS 39205

Gentlemen:

Subject: Resolution of Conditions For Initial Criticality

The Nuclear Regulatory Commission's Region II Office has determined by inspection that the items identified in paragraph 1.a thru 1.h of Enclosure 1 to Operating License No. NPF-13 have been satisfactorily resolved. This letter constitutes written confirmation that the requirements constraining initial criticality have been completed and MP&L may proceed to initial criticality in accordance with the conditions of their operating license.

Should you have any questions, we will be glad to discuss them.

Sincerely,

James P. O'Reilly  
Regional Administrator
