Gentlemen:

Subject: Inspection 50-289/82-08

Areas examined during this inspection are described in the NRC Region I Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Our inspector also verified the steps you have taken to correct the violations brought to your attention in the enclosures to our letters dated January 18, 1982, and May 18, 1982. We have no further questions regarding your action at this time.
