Dear Dr. Howell:

This confirms a recent conversation between Dr. Lyle Jerrett of your staff and Mr. R. L. Woodruff of my staff relating to NRC's review of the Florida Radiation Control Program for agreement material. As discussed, the formal review is scheduled for October 4-8, 1982.

Mr. Joel O. Lubenau, Office of State Programs, and Mr. Woodruff, State Agreements Representative, will be the NRC's representatives for the review. If your schedule permits, our representatives would like to discuss the results of the review with you during the afternoon of October 8, 1982.

If you have any questions, or desire to discuss this matter with me, please do not hesitate to call.

Sincerely,
