Gentlemen:

Subject: Inspection No. 82-01

This refers to the routine safety inspection conducted by Mr. C. Stearns of this office on July 15, 1982, of activities authorized by NRC License No. 37-19654-01 and to the discussions of our findings held by Mr. Stearns with yourself and Mr. Evans of your staff at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspector, and observations by the inspector.

Within the scope of this inspection, no violations were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter will be placed in the Public Document Room.

No reply to this letter is required. Your cooperation with us in this matter is appreciated.

Sincerely,

Original Signed By:
