RE: In the Matter of Consumers Power Company  
(Big Rock Point Nuclear Power Plant), Docket  
No. 50-155-OLA (Spent Fuel Pool Modification)

Gentlemen:

This letter is intended to confirm a telephone conference of today between Mr. Goddard, Counsel for the NRC Staff, and Judge Shon. Counsel for the Licensee contacted Mr. Goddard and Mr. Semmel, counsel for Intervenor Christa-Maria et al., and proposed requesting an extension of three weeks, to October 1, 1982, of the time for filing findings of fact on the criticality issue. Neither Mr. Goddard nor Mr. Semmel had any objection to the proposed extension. Mr. Goddard thereupon conveyed the Licensee's request to Judge Shon by telephone and Judge Shon granted it.

I am informing all parties of this schedule change by mailing them copies of this letter.

Sincerely,

  
Peter Thornton
