Change to the Prairie Island Security Plan

Changes to the Prairie Island Security Plan (Revision 7) have been made recently and are herein reported in compliance with 10CFR50.54(p). The changes are described in the attachment to the letter. We conclude that these changes do not decrease the effectiveness of the Prairie Island Security Plan. Attached are 5 copies. We will issue a revision to the Prairie Island Security Plan later this year and provide you with copies.

We conclude that the effectiveness of the Prairie Island Security Plan would be adversely affected by public disclosure of the attached information and that disclosure is not required in the public interest. We request that, pursuant to Section 2.790(d) of 10 CFR Part 2, it not be made available for inspection, and not be placed in the public document room.
