LA CROSSE BOILING WATER REACTOR

DOCKET NO. 50-409

Please correct the captioned document (NRC/DCS Accession
No. 8005050122) as follows:

Section 2.7, p.2-14: Change 886,595 to 1,824,217 and
1,485,637 to 1,629,499

Section 8.1: Add: On March 26, 1982 the Commission
amended its regulations in 10 CFR Part 51 (47 FR 12940)
to eliminate consideration of need for power and alter-
native energy sources in operating license proceedings
for nuclear power plants. See: 10 CFR §51.23(e), as
revised.
