Dear Mr. Oplinger:

Reference No: 285-81A0

Enclosed is our application for a license to export up to 2 grams of U-236. The U-236 will be shipped in a sealed metal capsule as normal form. The source will be shipped to the Indian Department of Atomic Energy, 14 weeks after receipt of our export license.

Should you have further questions or need additional information, please contact us promptly.

Sincerely,

S. Hoadley
