In response to your memorandum dated February 4, 1994, please note that we would have terminated Carroll Engineers, Inc., Quality Assurance Program Approval No. 71-0716 in July 1992, had we been aware that they stopped their transportation activities.

In a telephone conversation on February 16, 1994, we confirmed that Carroll Engineering does want their QA Program Approval terminated. Consequently, we will terminate the approval.
