

AUG 25 1982

Docket No. 50-397

Washington Public Power Supply System  
P. O. Box 968  
Richland, Washington 99352

Attention: Mr. R. G. Matlock  
Program Director

Gentlemen:

This refers to the inspection conducted by Messrs. A. D. Toth and R. A. Feil of this office, during July 12 - 30, 1982, of activities authorized by NRC Construction Permit No. CPPR-93, and to the discussion of findings held by Messrs. Toth and Feil with Mr. C. Carlisle and members of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the enclosed inspection report. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspectors.

No items of noncompliance with NRC requirements were identified within the scope of this inspection.

In accordance with 10 CFR 2.790(a), a copy of this letter and the enclosure will be placed in the NRC Public Document Room unless you notify this office, by telephone, within ten days of the date of this letter and submit written application to withhold information contained herein within thirty days of the date of this letter. Such application must be consistent with the requirements of 2.790(b)(1).
