Washington, D.C. 20555

In the Matter of
CLEVELAND ELECTRIC ILLUMINATING COMPANY, ET AL.,
(Perry Nuclear Power Plant, Units 1 and 2)
Docket Nos. 50-440 OL & 50-441 OL

Dear Administrative Judges:

This letter will confirm Judge Kline's oral grant this date of the NRC Staff's request for a two week extension of the date for its response to OCRE's, "Motion for Leave to File Its Contentions 21 through 26" (August 18, 1982). The Staff's response will now be due on September 21, 1982, rather than September 7, 1982. A similar two week extension was granted to Applicants for their response. See letter dated August 30, 1982 from Robert L. Willmore to Susan Hiatt.

OCRE had indicated to Staff counsel that it had no objection to the extension requested.

Sincerely,

Stephen H. Lewis
Counsel for NRC Staff
