RE: Material Licence Number 34-23406-01

Dear Sirs:

Please find the enclosed updated revision to our Radiation Safety Manual for your records. The revisions were made in order to comply with recent changes to 10CFR20, typographical errors, and to reflect organizational changes which have been approved by a recent Licence amendment.

If you have any questions, I may be reached at the above address or contacted by telephone at (216) 259-3737 extension 5402.

Respectfully,

James A. Ewing
