Dear Miss Shotwell:

In response to your request, I have obtained (from microfiche) and have had reproduced, a copy of the Applicant's response to Requests for Additional Information concerning emergency planning matters. This information is in a letter and enclosures from Mr. John DeVincentis to Mr. Frank Miraglia, dated July 9, 1982. As I explained to you prior to having this material retrieved, there will be a charge for the xeroxing of hard copy from microfiche. Accordingly, you will be receiving a statement from the NRC's Division of Accounting and Finance under separate cover in the amount of \$36.00.

Very truly yours,
