MEMORANDUM FOR: Leon Grant, Chief
Transportation Management Section

FROM: John T. Collins, Deputy Director
TMI Support

SUBJECT: TRANSFER OF GOVERNMENT VEHICLE #G12 48508

I am requesting that you make the necessary arrangements to transfer government vehicle #G12 48508 from William Milstead, Region II, to Suzanne Isaacs, TMI Support, NRR, which is presently being housed at the Three Mile Island site. Due to the nature of her duties, there is a need to make periodic trips to and from the Middletown and Harrisburg area on official business, in addition to making frequent trips around the site itself.

If believe there is a definite need for use of an assigned vehicle in this case. If you have any problems or questions concerning this request please don't hesitate to contact me on 492-7896.
