MEMORANDUM FOR: D. Hoatson/R. Sherry
G. Bennett/R. Feit
C. Serpan
R. Vollmer
S. Miner

FROM: Charles N. Kelber, Assistant Director
for Advanced Reactor Safety Research
Division of Reactor Safety Research

SUBJECT: TMI-2 EXAMINATIONS -- MEMORANDUM OF UNDERSTANDING

Attached for your review and comment is a copy of the latest draft Memorandum of Understanding (MOU) among DOE, EPRI, GPU and NRC for the TMI-2 Examinations. Your comments and suggestions, to enable Mr. Levine to present a unified NRC position to the Joint Coordinating Committee, October 26, are requested by COB October 24.

Suggestions in the following areas would be particularly appreciated:

- o provision for accomplishing NRC goals
- o application of personnel and financial resources
- o co-mingling of funds
- o authority to commit funds
- o resolution of conflicts

Charles N. Kelber

Charles N. Kelber, Assistant Director
for Advanced Reactor Safety Research
Division of Reactor Safety Research
