SUBJECT: SECY-93-342 - IMPLEMENTATION OF THE ENERGY POLICY ACT OF 1992 REQUIREMENT TO REVIEW NRC FEE POLICY

COMMENTS:

During the recent public briefing on fee issues, I asked the staff whether it had considered the option of recommending that the NRC's budget for regulating certain federal agencies simply be removed from the fee base. I therefore join the Chairman's suggestion that this option be included in the report to Congress.

I agree with my colleagues' suggestions concerning the contents of the transmittal letter.

I concur in the Chairman's 4th point, and in Commissioner de Planque's 3rd paragraph.

I agree with Commissioner de Planque's comments on Commissioner Rogers' proposal to separate out the costs of maintaining staff skills and expertise.
