OFFICE OF SECRETARY
GENERAL INVESTIGATIVE
DIVISION

Dear Ms. Colkitt:

This letter is in response to your February 14, 1994 letter to Marian L. Zobler, in which you listed those interrogatories and requests for admissions that you understood to be "deletions" from the NRC staff's initial discovery request. Interrogatories E25-27 were inadvertently omitted, and should have been included in the list of discovery requests which do not relate to the Department of Justice investigation. Oncology Services Corporation should, therefore, provide responses to them. I apologize for any inconvenience this may have caused you.

I would also like to note that Interrogatory C2 was partially modified, and not deleted, from the initial discovery request. In addition, Interrogatory C1, Parts a-d and Parts f-1 were modified. Part e of Interrogatory C1 was deleted.

Sincerely,

Catherine L. Marco
