Subject: Amendment to QA Program No. 0192

Reference: J. Jankovich letter dated February 2, 1994

Dear Mr. Jankovich:

As discussed in your letter of February 2, 1994, we request an amendment to the Pacific Nuclear Systems, Inc. QA Program approval (No. 0192) to change the company name to VECTRA Technologies, Inc. In January 1994, Pacific Nuclear acquired ABB Impell Corporation and the combined companies are now operating under the name of VECTRA Technologies, Inc. At the same time we request your approval of the following changes to the Pacific Nuclear Systems, Inc. QA Program:

1. Change the Company name to VECTRA Technologies, Inc. (VECTRA)
2. Replace Figures 1, 2 and 3 organization charts with the enclosed, respectively. These figures show the new VECTRA organization and operating structure (service organizations) for the company.
3. Change "Material Review Board" to "Review Board". The functions and responsibilities for the Review Board remain the same; only the name was changed.

The required \$280.00 amendment fee is enclosed.

Rec'd w/let # 12046 for \$280.00.

As discussed with you by telecon, we are continuing to certify items under the Pacific Nuclear name and QA Program until we receive your approval of the amendment requested above. Separate letters are being submitted to change the company name on the various licenses held by Pacific Nuclear.

Please call me at 510-275-4405 with any questions.

Sincerely

Richard A. Ayres
Director, Corporate Quality Assurance
