Re: High-Level Radwaste Regulations

Dear Dr. Bell:

Thanks for your letter of July 23, 1982 regarding the briefing meeting to be held July 29, 1982 in Germantown, Maryland. I unfortunately will be unable to attend this briefing session and hope your agency or DOE will have a similar meeting soon in this area.

If available, I would appreciate receiving any briefing material or a copy of the proposed rules. Thanks.

Very truly yours,

A. N. Turcan, Jr.
