Larry L. Campbell  
Office of Nuclear Reactor Regulation  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Mr. Campbell,

This letter and the enclosed information is in response to a copy I received of a letter sent to you by Mr. Wally Uhorchak regarding fastener quality.

I hope you find some of this material interesting and beneficial. Please call me if I can provide you with any additional information on the fastener quality procedures or equipment.

Sincerely,

  
Joe Greenslade  
President

cc. Wally Uhorchak
