Re: Control No. 121423

U.S. Nuclear Regulatory Commission
Region I
Nuclear Material Section B
475 Allendale Road
King of Prussia, PA 19406

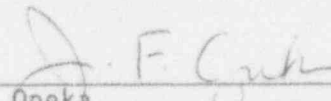

Northeast Utilities Service Company
By-Product Material License No. 06-17235-01 Update

Northeast Utilities Service Company (NUSCO) hereby provides an update to the Middletown Station By-Product Material License No. 06-17235-01. Paul T. Staehly is no longer responsible for administering the Radiation Safety Program at Middletown Station and should be removed from license condition 11(A). There is no replacement at this time.

If you would like to discuss this change, please feel free to contact us.

Very truly yours,

NORTHEAST UTILITIES SERVICE COMPANY
As Agent for The Connecticut Light and
Power Company

J. F. Opeka
Executive Vice President
