Mr. Cass R. Chappell, Section Leader  
 Cask Certification Section  
 Storage and Transport Systems Branch  
 Division of Industrial and Medical Nuclear Safety, NMSS  
 U.S. Nuclear Regulatory Commission  
 Washington, DC 20555

REFERENCE:      Docket No. 71-9168

Dear Mr. Chappell:

Chem-Nuclear Systems, Inc. (CNSI) hereby requests that Certificate of Compliance No. 9105 not be renewed beyond the current March 31, 1994 expiration date.

CNSI does not anticipate the need for future certification of the CNS 6-101 packaging, and has decided to allow the current license to expire.

Should you or members of your staff have any questions concerning this application, please feel free to contact Mr. Curt Lindner at (803) 758-1845.

Sincerely,

CHEM-NUCLEAR SYSTEMS, INC.
