Dear Mr. Miller:

SUBJECT: REMEDIAL SOILS WORK ACTIVITIES

The remedial soils activities identified in Section 1 of Attachment A and presently scheduled for the month of August, 1982, have been identified as critical work activities. As a result, you are requested to provide this office with appropriate details of these activities to assist our review.

The work activities identified in Section 2 of Attachment A are considered critical, however, no further details are needed for our review.

The work activities identified in Section 3 of Attachment A and presently scheduled for the month of August, 1982, have been reviewed and determined to be non-critical. You are authorized to proceed with the work.

Should you have any questions regarding this matter, please call me at (312) 932-2656.

Sincerely,

Ronald N. Gardner for.
