MEMORANDUM AND ORDER

We note that, although the Aamodts and TMIA (active parties in this proceeding) have indicated that certain filings had been served on the three members of this Licensing Board, some of those filings have not been received by all three members, and some not received by any of the three members. In other instances it has been noted that only the Chairman is listed on the service list. While we are aware that the service list in this proceeding has become burdensome, it is essential that this Board continue to receive all filings made by all parties. We therefore require that the parties, specifically the Aamodts and TMIA, furnish timely filings to all three members of the Licensing Board in the future.
