

PDR
Return 396-5571-9074

August 25, 1982

U. S. Nuclear Regulatory Commission
Division of Fuel Cycle and
Material Safety, NMSS

Att: Mr. Charles E. E. MacDonald, Chief
Transportation Certification Branch
Washington, D. C. 20555

Reference: Consolidated Renewal Application for
Certificate of Compliance No. 9074
for Model # AP-100

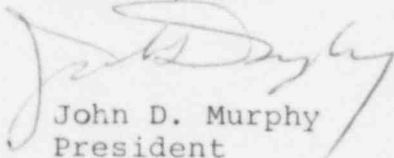

Code Reference: FCTC: CEW
71-9074

Gentlemen:

Enclosed please find eight (8) copies of Revision Number
07 dated August 25, 1982, for the Consolidated Application
referenced above and dated March 12, 1982, for renewal of
the above Certificate of Compliance Number 9074. In this
revision we have addressed the supplementary information
requested in your letter dated July 27, 1982.

Very truly yours,

ANEFCO, Inc.
