MEMORANDUM FOR: G. Wayne Kerr, Assistant Director for State Agreements, SP
FROM: I. Craig Roberts, Assistant Director for Site and Health Standards, SD
SUBJECT: EVALUATION OF TRITIUM EXPOSURES

The enclosed information was prepared by Allen Brodsky, Occupational Health Standards Branch, in response to your March 21, 1978, request for assistance regarding the evaluation of tritium exposures. I believe Dr. Brodsky's memo is fully responsive to the major points addressed in your request. Please let me know if we can be of further assistance.
