In the Matter of  
 Consumers Power Company  
 (Big Rock Point Plant)  
 Docket No. 50-155  
(Spent Fuel Pool Modification)

Dear Administrative Judges:

On September 10, 1982, I telephoned Judge Bloch to inform him that, because of the letter of September 9, 1982, from Licensee's counsel to the Licensing Board, the Staff would require one week's additional time to reply to findings filed on Christa-Maria Contention 8 and O'Neill Contention II.E.2 (TMI issues). Neither counsel for the Intervenor nor counsel for the Licensee has any objection to this time extension. Therefore, the Staff will file its reply, if any, to the TMI issues findings on September 20, 1982.

Sincerely,

Richard G. Bachmann  
 Counsel for NRC Staff
