Toledo Edison Company  
ATTN: Mr. Richard P. Crouse  
Vice President  
Nuclear  
Edison Plaza  
300 Madison Avenue  
Toledo, OH 43652

Gentlemen:

This is to confirm our conversation with your staff pertaining to Mr. David A. Nelson's and Mr. C. E. Wells' visit to Region III on September 21, 1982, to discuss security matters pertaining to the Davis-Besse Nuclear Power Station. Mr. Charles E. Norelius, Director, Division of Engineering and Technical Programs; Mr. James Miller, Chief, Technical Inspection Branch; and Mr. James Creed, Chief, Safeguards Section will be available to discuss such matters on that date.

Sincerely,

"Original Signed by C.E. Norelius"

James G. Keppler  
Regional Administrator
