SUBJECT: MILLSTONE 3 OWNERSHIP SHARE CHANGES, DOCKET NO. 50-423

By letter dated August 3, 1982, Northeast Nuclear Energy Company applied for amendments to its CP and its OL application as a result of proposed transfers in ownership shares in Millstone 3.* Vermont Electric G&T Coop., Inc. represents a de minimis applicant and the Massachusetts Municipal Wholesale Electric Company has been previously reviewed (favorably) by the Department of Justice, consequently I do not believe notification of this amendment in the Federal Register is necessary nor do I believe it is necessary to solicit comments from the public as a result of the proposed amendment.
