Gentlemen:

This refers to the meeting between members of our staffs on July 21, 1982, at our offices in Glen Ellyn, Illinois. The purpose of this meeting was to hold an Enforcement Conference to discuss potential NRC actions relative to the start up of Unit 2 with the O Diesel Generator out of service and the exclusion of deleterious material from reactor plant systems at the Zion Generating Station.

The enclosed copy of our report identifies areas discussed during the Enforcement Conference.

In accordance with 10 CFR 2.790 of the Commission's regulations, a copy of this letter and the enclosed meeting report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it is necessary that you (a) notify this office by telephone within ten (10) days from the date of this letter of your intention to file a request for withholding; and (b) submit within twenty-five (25) days from the date of this letter a written application to this office to withhold such information. If your receipt of this letter has been delayed such that less than seven (7) days are available for your review, please notify this office promptly so that a new due date may be established. Consistent with Section 2.790(b)(1), any such application must be accompanied by an affidavit executed by the owner of the information which identifies the document or part sought to be withheld, and which contains a full statement of the reasons which are the bases for the claim that the information should be withheld from public disclosure. This section further requires the statement to address with specificity the considerations listed in 10 CFR 2.790(b)(4). The information sought to be
