RE: Report No: 45-17911-01/82-01

Dear Mr. Olshinski:

This letter is in response to your inspection of the Nuclear Medicine Department and your findings on July 2, 1982.

We have complied with your Notice of Violation, Appendix A, items A and B. Corrective steps have been taken to eliminate all problems. Leaded shielding has been installed to protect patients in the waiting area. Also, a policy is in force to insure no consumable beverages or food is allowed in the radioisotope department.

Sincerely,

RICHARD A. LEVY
Administrator
