APPLICATION FOR WITHHOLDING PROPRIETARY
INFORMATION FROM PUBLIC DISCLOSURE

SUBJECT: "Properties of Fuel and Core Component Materials," WCAP-9179,
Revision 1 (Proprietary)

REF: Westinghouse Letter No. NS-EPR-2652, Rahe to Thomas, dated
September 8, 1982

Dear Dr. Thomas:

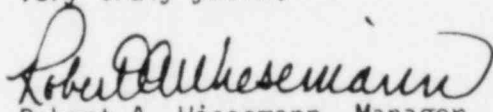

The proprietary material transmitted by the reference letter supplements the proprietary material previously submitted concerning the material properties of Westinghouse core components. The affidavit submitted to justify the material previously submitted, AW-77-47, October 25, 1977, is equally applicable to this material.

Further, the previously submitted affidavit AW-77-47 was approved by the Commission by letter Stolz to Wiesemann, dated February 8, 1979.

Accordingly, withholding the subject information from public disclosure is requested in accordance with the previously submitted affidavit, a copy of which is attached.

Correspondence with respect to this application for withholding or the accompanying affidavit should reference AW-82-54, and should be addressed to the undersigned.

Very truly yours,

Robert A. Wiesemann, Manager
Regulatory & Legislative Affairs
