In the Matter of
Philadelphia Electric Company
(Limerick Generating Station, Units 1 and 2)
Docket Nos. 50-353 and 50-353

Gentlemen:

By Order dated September 9, 1982, the Atomic Safety and Licensing Board requested the Applicant to supplement its response to Del-Aware's Interrogatory 12. A copy of "Applicant's Supplemental Response to Interrogatory 12 of Del-Aware Unlimited, Inc. Addressed to Applicant Philadelphia Electric Company," as well as the referenced pages of the deposition and the September 9, 1981 letter from E. H. Bourquard to the Army Corps of Engineers are enclosed. Because the design drawings attached to the Bourquard letter are oversized and difficult to copy, we are not providing them to the parties other than the NRC Staff and Del-Aware.

By this letter, although not required by 10 C.F.R. §2.4, we are providing copies of a September 9, 1982 letter to Mr. Rex Wescott, U.S. Nuclear Regulatory Commission from Robert H.

Bourquard and a September 3, 1982 letter to Mr. Bourquard from Felix T. Kitlinski generally relating to the admitted contentions.

Sincerely,

A handwritten signature in cursive script that reads "Troy B. Conner". The signature is written in dark ink and is positioned above the typed name and title.

Troy B. Conner
Counsel for the Applicant
