

SEP 28 1982

Docket No. 50-461

Illinois Power Company
ATTN: Mr. W. C. Gerstner
Executive Vice President
500 South 27th Street
Decatur, Illinois 60525

Gentlemen:

This confirms the verbal approval given on September 24, 1982 by Mr. H. H. Livermore, SRI at Clinton Station, regarding a limited work resumption on Confirmatory Action Letter dated January 27, 1982 (Stop Work Order 007). The scope of this work resumption is limited to the inspection and remedial work associated with non-safety related seismic electrical tray in Seismic Category I Buildings.

Illinois Power Company is reminded that the NRC may perform a detailed inspection on all or selected portions of this work prior to releasing additional work under the subject Confirmatory Action Letter.

We will gladly discuss any questions you have concerning this limited work authorization.

Sincerely,

"Original Signed by C.E. Norelius"

C. E. Norelius, Director
Division of Engineering
and Technical Programs
